stop!

This comic is presented in its original Japanese right-to-left format, in order to preserve as much of the detail and orientation of the original artwork as possible. Readers unaccustomed to this "manga-style" order are welcome to download the Standard Edition of this comic.

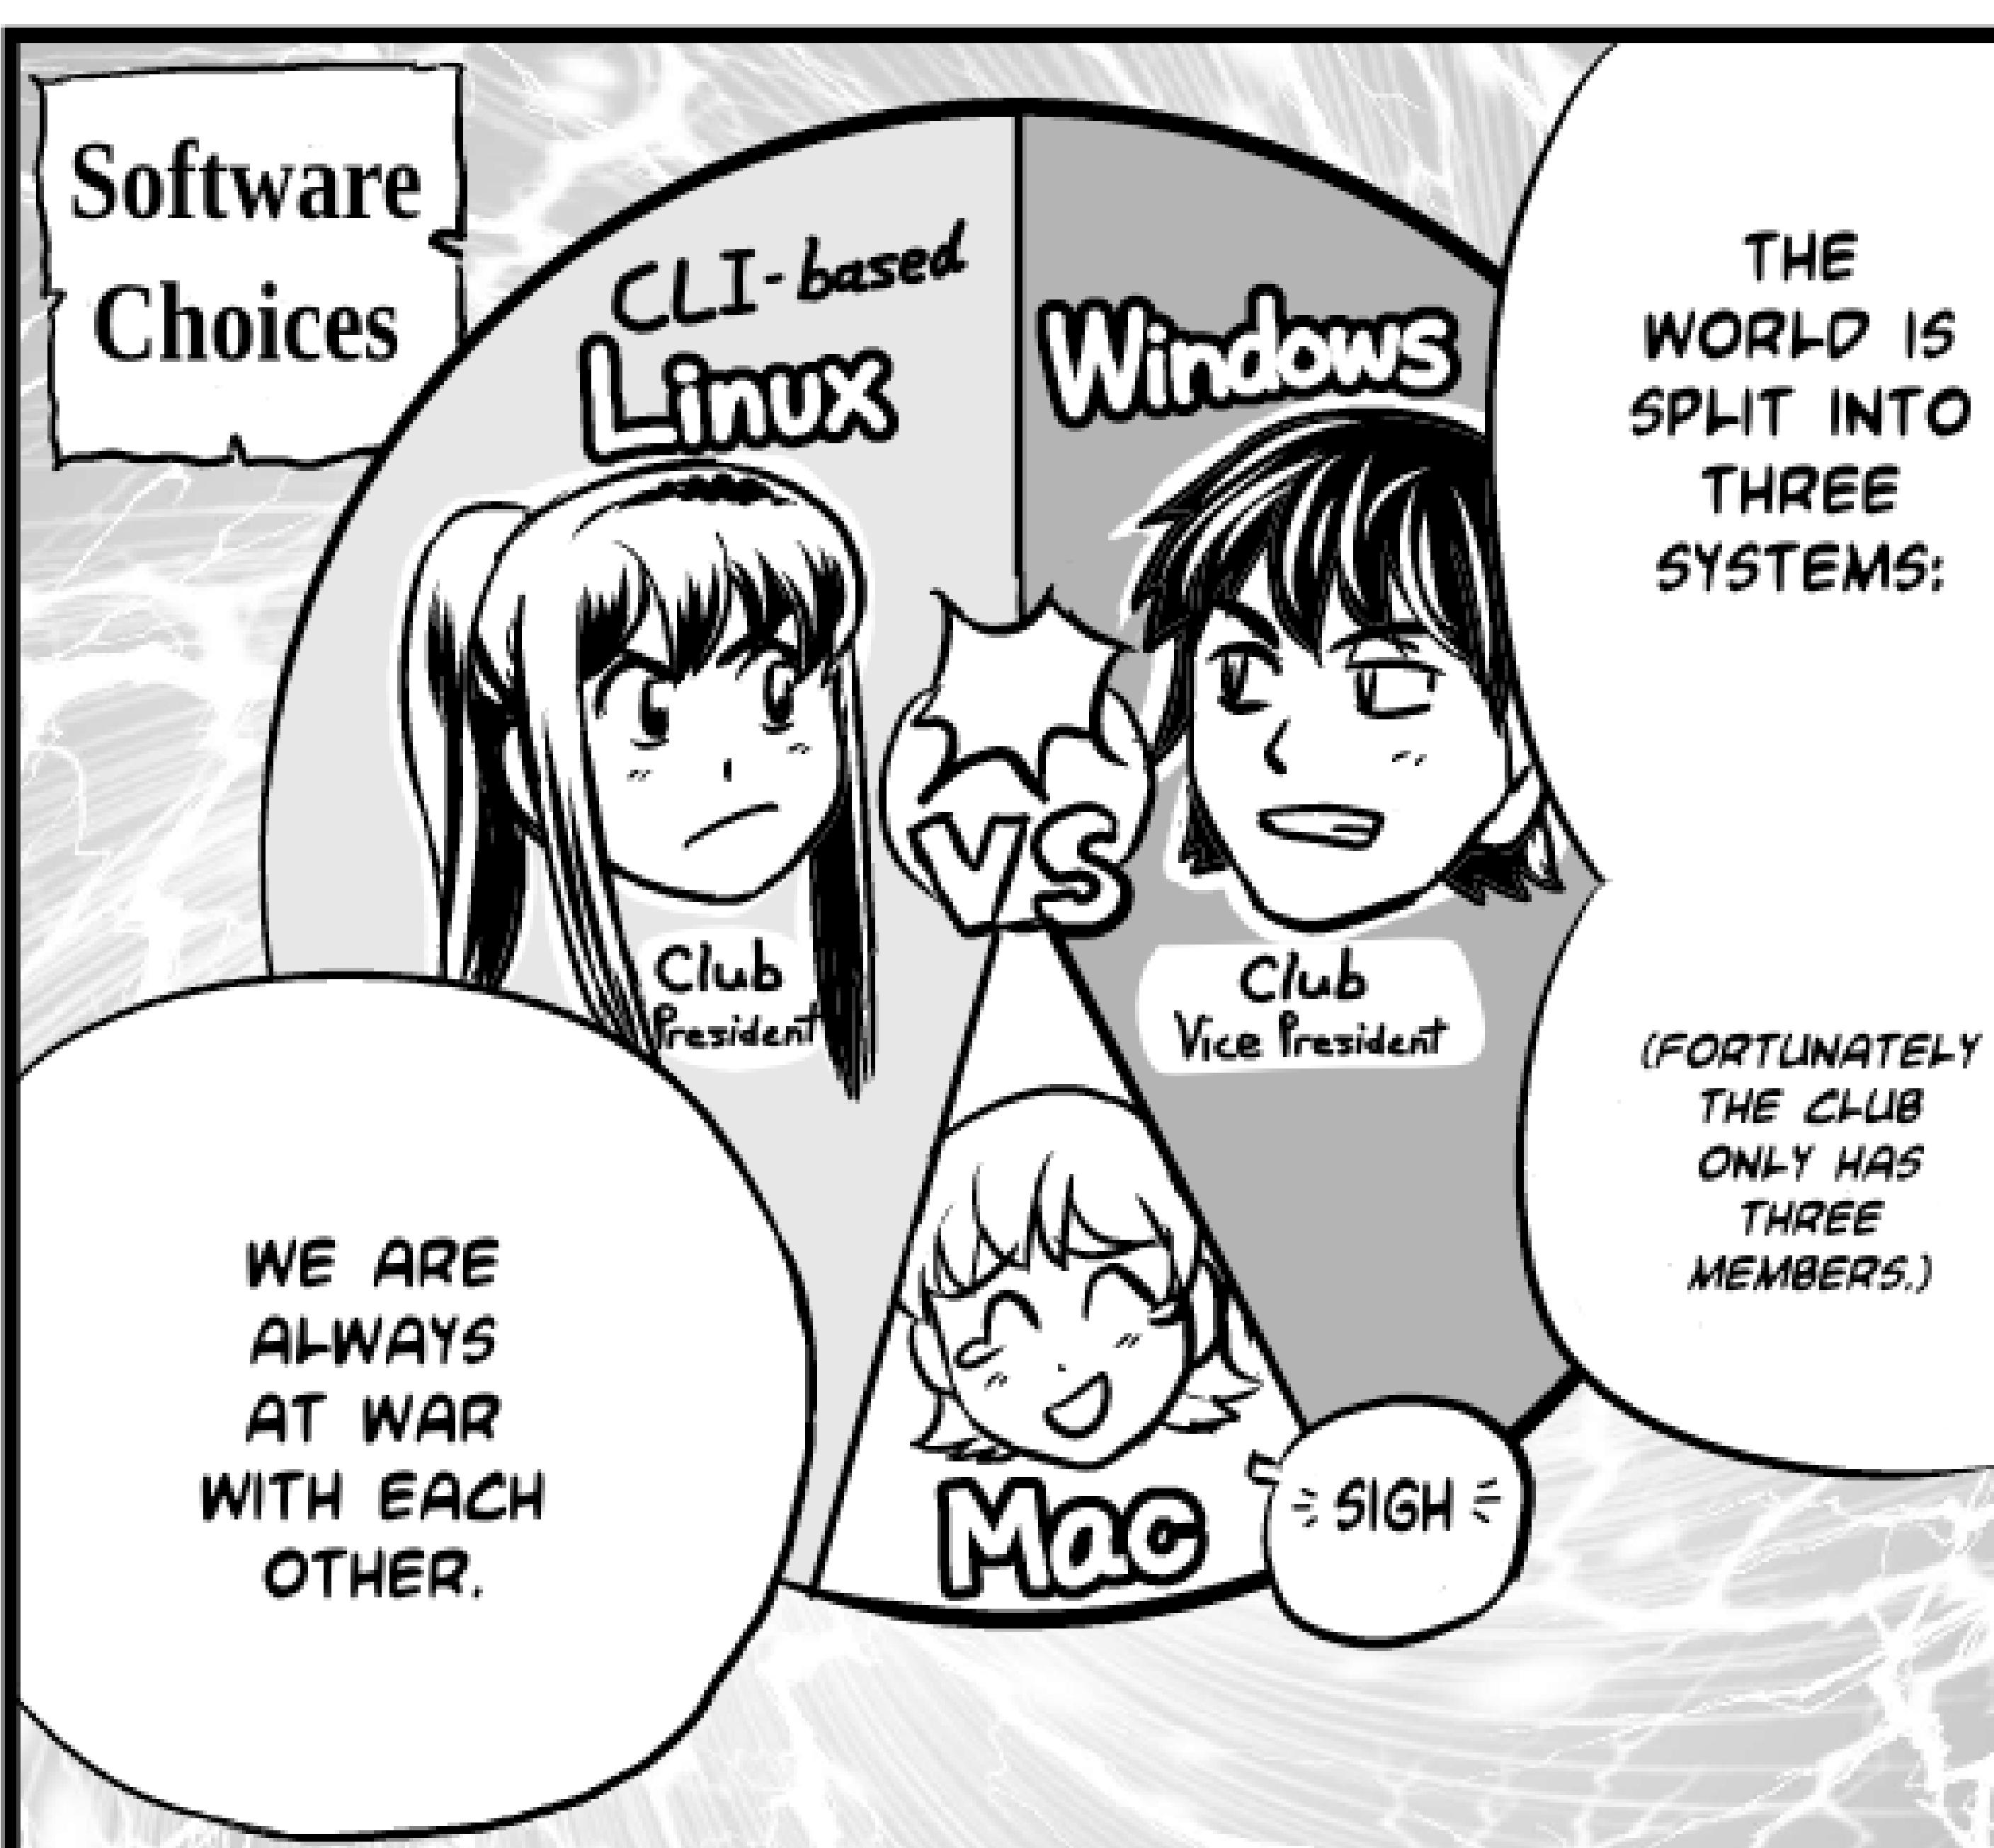

But if you prefer authenticity or simply wish to have fun trying something new, all you need to do is start from the top-right panel of each page and work your way towards its lower left-hand corner. Please use the guide below to see an example of the reading order you will encounter:
